# International Women's Day

Reception

Women *in* Rotary

## CELEBRATE

International Women's Day celebrates the social, economic, cultural and political achievements of women.

On International Women's Day, the Rotary Club of North Hobart event honours:

- Jennifer Jones, who has been chosen as President of Rotary International 2022–23, the first woman to hold this office.
- Jessie Harman, Director Elect on the Board of Rotary International, the first woman to represent Zone 8.
- Heather Chong, our District Governor Elect for District 9830.

In 2021, our club's 60th anniversary and the centenary of Rotary in Australia, we celebrate the evolution of Rotary to the inclusive organisation it now is.

Individually, we are all responsible for our own thoughts and actions – all day, every day. Together, we can create a fair and inclusive world.

*Rotary provides opportunities for ordinary women to do extraordinary things.*

## INSPIRE

Our IWD reception brings together stimulating speakers who remind us that Rotary opens opportunities. These exceptional women leaders inspire us to unite people, take action and challenge current practices.

Please join us to welcome:

- The Honourable Sue Hickey MP, Speaker of the House of Assembly, Liberal Member for Clark.
- Dr Jessie Harman, Rotary International Director 2021–23.
- Shirley Thorne, who was awarded the Rotary International Award for Excellence in Service to Humanity in 2020.
- Commander Joanne Stolp of Tasmania Police.

District Governor Michael Plunkett and Past Assistant Governor Gayle Plunkett will take part and Past District Governors Una Hobday and Muriel Heron will be present.

Our MC for the evening will be Margot Kelly, journalist on ABC Landline.

## CONNECT

This is a special invitation to meet some of our leading Women in Rotary and the wider Tasmanian community.

This year our International Women's Day event will be an opportunity to learn more about the issue of domestic violence in Tasmania. A proportion of our ticket sales will be used to empower those who have been abused, to break the cycle of family violence and to sow seeds of hope.

Lucky doors prizes and musical items will make this a great night out. During the presentations, guests will be comfortably seated.

Bring a friend and meet others with a heart for service and justice. Please join us.

Volunteering is a lifestyle! Through Rotary I've been able to work to improve the lives of nurses in Bangladesh and mothers in Timor Leste. The time I've given has been well worth it.

– Jenny Kerrison

My experience with Rotary has been immensely valuable. I've made lifelong friends, travelled the world meeting passionate people and felt that I've been able to use my skills in a fulfilling way.

– Roslyn Teirney
